Members: Andrew Madden, Kate Ewald, Adam Leach, Peg O'Neill, Dawn Flatt, Bill Archambault

Guests: Brian & Karen Rowe; Michael Krezmein;

3 Meeting Minutes

Meeting Minutes for July were reviewed and unanimously approved as written.

4 Public Hearing, Continued: 166 Dingle Road, Josh Clark

The Order of Conditions for this project has been signed and issued. There has been no report on the document having been recorded.

5 Enforcement Order: 909 Huntington Road, Michael Krezmein

Mr. Krezmein presented a reasonably comprehensive restoration plan. WCC requested a list of plants that were recommended by New England Wetlands Plants (connected with New England Environmental, Inc., Amherst, MA) and photograph local plants for comparison. WCC will conduct a site visit once Mr. Krezmein notifies us that the project is completed. WCC unanimously approved the plan.

6 Old Business

6.1 Maples – The order of conditions has been recorded in the Registry of Deeds. Project is subject to approval by other Town Boards.

6.2 Invoice for Public Hearing notice for the Maples, \$43.75, has been paid.

7 New Business

7.1 Notice of Intent for 1132 Huntington Road, Brian & Karen Rowe – Request was made to replace a damaged existing culvert to original location and dimensions. WCC needs to review regulations to determine applicable sections (exemption options; Limited

Project; other). WCC will contact the Rowes next week with recommended filing approach (413-238-5919).

7.2 Robert Payne, Starkweather Road, approached Andrew Madden about constructing a large garage on his property. Madden suggested that Payne determine whether the footprint is within 200' of a river or wetland. If so, he should attend the next WCC meeting.

7.2 Andrew Madden will be renewing WCC appointment. Asked to be replaced as Committee Chair. To be revisited.

8 Adjourn

The meeting adjourned at 7:52 PM
