

SCENIC ROAD & PUBLIC SHADE TREE REMOVAL APPLICATION  
Submit 2 copies, 1 for the Tree Warden and 1 for the Planning Board

*It is the applicant's responsibility to meet with the Tree Warden before filing this application to determine if there are public shade trees on the project site. A public hearing is required before a decision will be issued. The notice of the hearing must be published twice in a local newspaper, the last publication to occur not less than 7 days prior to the hearing. Abutters within 300 feet of the project must also be notified by certified mail. The applicant will be notified by mail of the hearing date and is required to attend the hearing. All costs of the hearing, including these notifications, shall be borne by the applicant. The applicant must have all permits required for the project, such as driveway permits, before any tree or wall can be removed.*
