Good morning Charlie,

Sure here is mine

Thank you Mandy

I have been part of this wonderful community for more than 23 years. Having had the privilege of raising my four children in Worthington, I would love the opportunity to continue to see our community grow and become stronger than ever before. I have decided to run for finance committee. Because I've managed budgets and bureaucracy for 16 years, flexibly responding to changing demands, I am well suited for the task of helping to protect and manage our town's assets. In my work as a public servant, I daily interact with many people, which makes me uniquely situated to serve the community by being a voice for all taxpayers. I know I can make this happen with your vote on May 7th. Thank you for your support.
