

Selectboard Meeting

September 23, 2025 . 6:27 PM . ID: 233643381

Transcript

00:01 - 00:03

Selectbord Office

Conference will now be recorded.

00:05 - 00:05

Selectbord Office

Okay.

00:06 - 00:09

Selectbord Office

Um, this will actually be, I think, a relatively quick meeting.

00:09 - 00:34

Selectbord Office

There's a pretty sure that starting with the meeting Thursday and on October 4th, we did talk about sort of finalizing the handout, but I think it is already finalized for Peggy to get back.

00:40 - 00:47

Selectbord Office

And then I think, Amy, probably we had a vote on the wording for the ballot measure.

00:49 - 00:51

Selectbord Office

Do you have that in front of you?

00:52 - 00:54

Amy Wang

The wording for the ballot measure?

00:55 - 00:55

Selectbord Office

Yes.

00:56 - 00:57

Amy Wang

Yep, I've got to find it.

00:57 - 00:57

Amy Wang

Hold on.

00:58 - 01:01

Selectbord Office

Okay, we want to go ahead and find that, because I think we need to vote on that.

01:03 - 01:03

Selectbord Office

Okay.

01:09 - 01:15

Selectbord Office

So the post went up yesterday, I guess it was, and it's on Facebook.

01:15 - 01:18

Selectbord Office

It's getting some comments already, as you'd expect.

01:18 - 01:22

Selectbord Office

Nobody wants to raise their taxes, which is a big shock.

01:24 - 01:31

Selectbord Office

I think already you've seen a lack of understanding between the difference between raising the levy limit and raising taxes.

01:31 - 01:35

Selectbord Office

So that's a task that we need to work on.

01:41 - 01:41

Amy Wang

So.

01:41 - 01:47

Selectbord Office

I think this handout is pretty much finalized unless somebody has a comment.

01:48 - 01:58

Selectbord Office

This is really the finance committee's handout and that's really the finance committee's meetings so it's really not for us to do anything other than suggest.

01:58 - 02:21

Selectbord Office

My first comment was I looked at it in the original email and clicked and I could see everything and when you go to calendar you've got to click to a Word document for everything to come up and so I was a little baffled when I went back the second time because so I don't want the website no the calendar our calendar the website yeah tonight's Yeah.

02:21 - 02:29

Selectbord Office

So the calendar is just the copy of the agenda.

02:29 - 02:33

Selectbord Office

No, no, all of the stuff's in the folder.

02:34 - 02:37

Selectbord Office

Yeah, it doesn't look like a folder.

02:37 - 02:37

Selectbord Office

I guess that's my point.

02:38 - 02:43

Selectbord Office

So you see a Word document and I knew there were these spreadsheets and I was like, I just see a Word document.

02:44 - 02:48

Selectbord Office

So if you look at it, maybe better to separate everything out.

02:48 - 02:50

Selectbord Office

About a day.

02:50 - 02:53

Selectbord Office

So it's all separated out on the website.

02:53 - 02:56

Selectbord Office

Each individual document has its own link.

02:57 - 02:59

Selectbord Office

If you look at the page I put up on the website.

03:01 - 03:06

Selectbord Office

So in tonight's folder you're saying that this was all one document.

03:07 - 03:13

Selectbord Office

As if it looks like, yeah, so now I'm getting, that's a cover sheet and everything else is

attached to it.

03:13 - 03:13

Selectbord Office

Yeah.

03:16 - 03:16

[speaker unknown]

Yeah.

03:17 - 03:17

Selectbord Office

Yeah.

03:18 - 03:18

Selectbord Office

Yeah.

03:18 - 03:20

Selectbord Office

So maybe that's my point.

03:20 - 03:21

Selectbord Office

I'm confused.

03:21 - 03:22

Selectbord Office

I was confused about it.

03:23 - 03:23

Selectbord Office

All right.

03:23 - 03:26

Selectbord Office

So that folder is really only there for this meeting, for people to get documentation.

03:26 - 03:27

Selectbord Office

Okay.

03:27 - 03:28

Selectbord Office

Got it.

03:28 - 03:31

Selectbord Office

That's not, I mean, it is a public folder and anybody can certainly go there.

03:31 - 03:39

Selectbord Office

But all the documents, all that for the handout, for the override are on the website on a page that's right on the front page.

03:41 - 03:47

Selectbord Office

And I will put a more prominent link at the top of the page, too, as well.

03:50 - 04:00

Selectbord Office

I didn't link this as a whole yet, I think I probably will, but right now every page is set up separately, or each document is set up separately.

04:00 - 04:00

Selectbord Office

On it.

04:01 - 04:06

Selectbord Office

This page has three pretty much illegitimates.

04:07 - 04:10

Selectbord Office

And one of them turns 90 degrees and the other one turns 90 degrees.

04:11 - 04:14

Selectbord Office

You're looking at really one of those scans.

04:15 - 04:17

Selectbord Office

So the real documents are all on the template.

04:17 - 04:18

Selectbord Office

Yeah.

04:18 - 04:20

Selectbord Office

And in mine, the handout is...

04:20 - 04:26

Selectbord Office

So if you put the one Joe sent the first time in the next folder, then that is...

04:27 - 04:28

Selectbord Office

I put the one from Sunday.

04:28 - 04:30

Selectbord Office

Is that the stabilization?

04:30 - 04:38

Selectbord Office

And then plus the packed in, packed one that came, yeah, they're all separate, but I didn't put them in separately, I put them all together like a handout though, that's the deal.

04:38 - 04:40

Selectbord Office

Okay, and you put them in order.

04:40 - 04:42

Selectbord Office

Yeah, they're in order, because they're numbered.

04:43 - 04:44

Selectbord Office

Yeah, up to 16 now.

04:45 - 04:47

Selectbord Office

So maybe some are rotated, I'll look at it.

04:47 - 04:49

Selectbord Office

There's two that are...

04:49 - 04:50

Selectbord Office

Well, then they should be rotated, you can't...

04:50 - 04:53

Selectbord Office

Well, it's just one, it's the last one.

04:53 - 04:55

Selectbord Office

Okay, I'll fix it.

04:55 - 04:58

Selectbord Office

So Bart since you're here, why don't you leave this part?

05:01 - 05:06

Selectbord Office

Only in that we're talking about your meeting on Thursday, and I don't want to presume because it's your meeting.

05:08 - 05:13

Selectbord Office

It looks like Joe's not here he's not and this is not an official finance meeting.

05:16 - 05:23

Selectbord Office

But it doesn't matter it's still we're gonna talk about Thursday night, that's your meeting and And then we'll finalize.

05:24 - 05:26

Selectbord Office

Amy and I will vote on wording for the ballot.

05:34 - 05:38

Selectbord Office

I mean, at this point, it's a little late in the game to be making changes to this.

05:38 - 05:44

Selectbord Office

Yeah, it seems like there was some confusion about exactly how this was going to happen.

05:47 - 05:48

Selectbord Office

I think it is what it is.

05:49 - 05:51

Selectbord Office

I mean, there may be formatting things we can fix.

05:54 - 05:55

Selectbord Office

Before formatting.

05:57 - 06:00

Selectbord Office

What are the tools in the meeting going to be?

06:02 - 06:10

Selectbord Office

I think the point was really to hear, not to lecture, was to listen to people.

06:10 - 06:21

Selectbord Office

And so the tools, I don't, unless somebody has a burning desire to make a presentation, I mean the slides.

06:21 - 06:22

Selectbord Office

So you're not doing a parable.

06:22 - 06:23

Selectbord Office

I wasn't expecting to.

06:24 - 06:24

Selectbord Office

Ok, that's fine.

06:25 - 06:29

Selectbord Office

You do a good explanation of it, anyway, in that room.

06:29 - 06:32

Selectbord Office

I mean, honestly, at this point, who's going to show up?

06:33 - 06:34

Selectbord Office

It's still Thursday night.

06:36 - 06:37

Selectbord Office

But hopefully, people will.

06:37 - 06:39

Selectbord Office

And hopefully, they'll come and have questions.

06:39 - 06:43

Selectbord Office

I think that's the best we can hope for.

06:44 - 06:46

Selectbord Office

So I will bring this.

06:46 - 06:48

Selectbord Office

I will stream it.

06:48 - 06:50

Selectbord Office

This would be in the school.

06:51 - 06:55

Selectbord Office

Yeah, but I think it's one way only, right?

06:55 - 06:56

Selectbord Office

Well, no, it doesn't have to be.

06:56 - 07:02

Selectbord Office

So the school has a projector, and I'll go ahead and project essentially what we're

seeing here.

07:03 - 07:08

Selectbord Office

So if somebody in the audience virtually wants to speak, they'll be able to.

07:18 - 07:21

Selectbord Office

And then this practical thing.

07:21 - 07:29

Selectbord Office

So show up early for chairs and tables and somebody to be handling the pizza part of it.

07:29 - 07:31

Selectbord Office

So Gretchen's taking care of the pizza.

07:31 - 07:33

Selectbord Office

She may have already talked about it.

07:33 - 07:37

Selectbord Office

We thought, she's going to make it tonight because she has no reputation.

07:39 - 07:41

Selectbord Office

Anybody's guess, how many people are going to show up?

07:42 - 07:45

Selectbord Office

She's going to get bread, bread euphoria pizza.

07:46 - 07:50

Selectbord Office

She says they're big, eight large pieces per pizza and she's going to get six pizzas.

07:50 - 07:52

Selectbord Office

That sounds good.

07:52 - 07:53

Selectbord Office

Sounds good.

07:54 - 07:55

Selectbord Office

Who knows how many people show?

07:56 - 07:58

Selectbord Office

I mean, that's enough for almost 50 people.

07:58 - 07:59

Selectbord Office

That'll be enough for us.

08:00 - 08:00

Selectbord Office

Yeah.

08:04 - 08:09

Selectbord Office

So in terms of this handout, the idea is for it to be sitting there, right?

08:10 - 08:14

Selectbord Office

So we talked about well, 50 copies or whatever.

08:19 - 08:20

Selectbord Office

Charlie.

08:20 - 08:21

Amy Wang

Can you show us your picture?

08:23 - 08:24

Selectbord Office

I know.

08:24 - 08:25

Selectbord Office

I'm fixing it right now.

08:25 - 08:26

Amy Wang

Okay.

08:31 - 08:32

Selectbord Office

Okay.

08:33 - 08:34

Selectbord Office

Go ahead.

08:35 - 08:38

Selectbord Office

I thought we, there was mention of 150.

08:40 - 08:43

Selectbord Office

But yeah, probably a hundred.

08:44 - 08:50

Selectbord Office

I think a hundred and we'll see how it is and then we'll have leftovers for the next

one and decide how many we need for that.

08:51 - 08:53

Selectbord Office

I assume the issue is the stapling.

08:54 - 08:56

Selectbord Office

Yeah, you know, we have nice easy stapling.

09:04 - 09:05

[speaker unknown]

Charlie.

09:09 - 09:15

Amy Wang

The select board room didn't come back on, it's still that placeholder picture of you.

09:17 - 09:20

Selectbord Office

Yeah, the camera's not waking up here, hold on.

09:35 - 09:36

Selectbord Office

At least you can hear us.

09:39 - 09:40

Selectbord Office

Good positive thinking, Charlie.

09:49 - 09:53

Selectbord Office

I think I'm going to restart the, oh, it's unhappy.

09:54 - 09:56

Selectbord Office

So let's just pause for a second.

09:59 - 10:01

Selectbord Office

Put up a screen that says we are experiencing.

11:03 - 11:04

Selectbord Office

324 ,000.

11:06 - 11:08

Selectbord Office

So, I put it in the web post.

11:08 - 11:16

Selectbord Office

The average tax bill for an average family would be 100, 286, no, no, 237.

11:17 - 11:18

Selectbord Office

286.

11:18 - 11:18

Selectbord Office

Yeah.

11:19 - 11:20

Selectbord Office

Yeah, exactly.

11:20 - 11:22

Selectbord Office

Variants from prior year.

11:22 - 11:31

Selectbord Office

So, I think, Peg, that's the important number, so I think a lot of people who are, we're

supposed to be recording.

11:32 - 11:38

Selectbord Office

We are recording, and they should really hear us now, but they still can't get the camera on.

11:39 - 11:39

Selectbord Office

Go ahead.

11:39 - 11:47

Selectbord Office

So there's people above and below that threshold will have different complaints, probably the same.

11:48 - 11:51

Selectbord Office

But above would be able to absorb it better than below.

11:52 - 11:53

Selectbord Office

So who knows?

11:57 - 12:01

Selectbord Office

And I think, yeah, people have heard no override.

12:02 - 12:31

Selectbord Office

Easy to say yeah so it's no no teachers and no paved roads so I apologize everyone I'm gonna have to drop out and drop back in again to try to fix this otherwise there'll be no picture but I think the meeting should keep going so I don't think anybody will get kicked out because Amy's a host also worst-case If we get kicked out.

12:32 - 12:32

Selectbord Office

I apologize.

12:33 - 12:34

Selectbord Office

Please come right back.

12:34 - 12:35

Selectbord Office

There'll just be a minute.

12:37 - 12:38

Selectbord Office

I'm Bart.

12:38 - 12:39

Selectbord Office

Who's all planning on being?

13:37 - 13:37

Selectbord Office

Okay.

13:38 - 13:38

Selectbord Office

We're back.

13:38 - 13:40

Selectbord Office

Thank you, everyone, for your patience.

13:41 - 13:41

Selectbord Office

Okay.

13:41 - 13:41

Selectbord Office

Go ahead.

13:42 - 13:46

Selectbord Office

I guess I came in late and you guys were discussing this as a handout.

13:49 - 13:50

Selectbord Office

I didn't hear.

13:52 - 13:57

Selectbord Office

Those are just hard to read, page 3 and 16.

13:57 - 13:58

Selectbord Office

Are you saying that?

13:59 - 14:01

Selectbord Office

Well, Kevin was looking in the folder for tonight's meeting.

14:02 - 14:09

Selectbord Office

The documents are all linked on the town's website for the general public, which is much easier to find and deal with.

14:10 - 14:13

Selectbord Office

I guess I'm just asking, is this the thing that's getting printed or is this?

14:13 - 14:14

Selectbord Office

Yeah, that's it.

14:14 - 14:16

Selectbord Office

So like, can we rotate that one?

14:16 - 14:17

Selectbord Office

Is that?

14:19 - 14:19

Selectbord Office

I'm guessing.

14:19 - 14:21

Selectbord Office

If you think it'd be better, then sure.

14:21 - 14:27

Selectbord Office

I think it would make it a little bigger, but yeah, when it's printed, it's okay to rotate it when it's online.

14:28 - 14:29

Selectbord Office

Right, it sucks, Georgie.

14:30 - 14:32

Selectbord Office

Yeah, so there would be another just putting that on the side.

14:32 - 14:35

Selectbord Office

So when you print it, yeah, print that one.

14:35 - 14:38

Selectbord Office

Print it, I'll do it as a landscape because it's a single one then.

14:38 - 14:38

Selectbord Office

Yeah.

14:41 - 14:41

[speaker unknown]

Okay.

14:41 - 14:43

Selectbord Office

That's how Catherine was ready to pull her hair out.

14:43 - 14:45

Selectbord Office

So like, all right, so this is another one.

14:45 - 14:52

Selectbord Office

So the direction they should go in, should they be going that way when they're a landscape or should they be with the head over there?

14:52 - 14:53

Selectbord Office

Does it make a difference?

14:53 - 14:55

Selectbord Office

Just make sure they're the same direction.

14:56 - 15:01

Selectbord Office

And so this one feels like, yes, it's landscape, but it's got massive margins.

15:02 - 15:07

Selectbord Office

I'm happy to send you PDFs that would actually part a cluster of PDFs that would print well.

15:08 - 15:13

Selectbord Office

But that seems like we could get that bigger for a print.

15:13 - 15:13

Selectbord Office

All right.

15:14 - 15:15

Selectbord Office

So yeah.

15:16 - 15:19

Selectbord Office

So these are the ones that Joe sent all singles.

15:19 - 15:23

Selectbord Office

So I wonder if they're, I don't know if they're right.

15:23 - 15:27

Selectbord Office

Some are PDOs, I don't think any of them are actually of cell files.

15:27 - 15:28

Selectbord Office

Or in different sets of cell files.

15:29 - 15:29

Selectbord Office

No.

15:30 - 15:33

Selectbord Office

And then this one is the one that I was.

15:34 - 15:35

Selectbord Office

It's tiny.

15:36 - 15:41

Selectbord Office

It's either tiny and if you just move that column on here, we're good, or you.

15:41 - 15:43

Selectbord Office

Right, you could put them in two sizes.

15:43 - 15:46

Selectbord Office

Why didn't you do those, make those changes and send them to me, do you mind?

15:46 - 15:47

Selectbord Office

I don't know why.

15:47 - 15:53

Selectbord Office

Okay, get those and make the other things, yeah, that would be great.

15:55 - 16:05

Selectbord Office

This, I wrote thinking you were going to email it out, just this text, that that was the announcement of these readings and it's going to go quickly.

16:05 - 16:06

Selectbord Office

So did you see what I sent out?

16:06 - 16:09

Selectbord Office

I did, but this, I don't, it doesn't.

16:20 - 16:21

[speaker unknown]

Uh-oh.

16:21 - 16:24

Amy Wang

Charlie, if you can hear me, we lost you.

16:24 - 16:27

Amy Wang

No sound, no picture.

17:09 - 17:10

Selectbord Office

All right, have you got sound there?

17:11 - 17:12

Selectbord Office

You got sound now, right?

17:12 - 17:13

Amy Wang

Yep.

17:14 - 17:14

Amy Wang

Okay.

17:20 - 17:20

[speaker unknown]

Yep.

17:21 - 17:23

Selectbord Office

Amy's being the canary in the gold mine.

17:25 - 17:26

Amy Wang

Oh, I don't say that.

17:27 - 17:29

Amy Wang

I'm gonna keel over, right?

17:37 - 17:39

Selectbord Office

All right, I think you're gonna have to whip a lot of picture.

17:41 - 17:42

Amy Wang

That's okay.

17:42 - 17:47

Amy Wang

Maybe, um, so, uh, it might be helpful then if.

17:47 - 17:48

Selectbord Office

An.

17:48 - 17:53

Amy Wang

Unexpected voice announces themselves like this is Kevin this is Bart.

17:56 - 18:20

Selectbord Office

Okay yeah we can do that so Bart was speaking so sure I guess so I felt like I needed to make something more readable for the web page so yeah I mean it's all your wording but it's expanded.

18:20 - 18:23

Selectbord Office

Yeah, and I didn't have any problem with what you said.

18:23 - 18:30

Selectbord Office

It was just, I would try, I was hoping we could get this out like last week so that we'd just quickly let people know there's a meeting.

18:30 - 18:34

Selectbord Office

But whatever, it doesn't, it's fine.

18:34 - 18:38

Selectbord Office

I guess I'm caught in this, like Joe's not here.

18:38 - 18:39

Selectbord Office

He put together this handout.

18:40 - 18:41

Selectbord Office

It's a finance committee meeting.

18:41 - 18:43

Selectbord Office

He's the chair of the finance committee meeting.

18:43 - 18:46

Selectbord Office

Can we edit this thing or are we done?

18:46 - 18:49

Selectbord Office

I don't think he'd be super.

18:49 - 18:51

Selectbord Office

I think that's for you to negotiate with him.

18:51 - 18:52

Selectbord Office

I don't want to speak.

18:52 - 19:05

Selectbord Office

Yeah I sort of feel like it's what it is and we do it So, okay I'm happy to try to deal with these you said are these individual files somewhere?

19:05 - 19:06

Selectbord Office

Yes.

19:06 - 19:10

Selectbord Office

Okay Because what is in here is a PDF of this whole document?

19:15 - 19:22

Selectbord Office

Okay, so Joe sent them out individually, I'll send you that email, which is quite easier than you hand over the website and pull them down.

19:22 - 19:24

Selectbord Office

And then there's a separate email with the text impact.

19:25 - 19:26

Selectbord Office

They're on the website.

19:27 - 19:30

Selectbord Office

They are on the website, but I'll send you Joe's email where they're all attached.

19:31 - 19:31

Selectbord Office

All right.

19:31 - 19:31

Selectbord Office

Great.

19:32 - 19:32

Selectbord Office

Because otherwise it's...

19:32 - 19:34

Selectbord Office

And he did update one of them.

19:34 - 19:36

Selectbord Office

One, the impact, tax impact one he updated.

19:37 - 19:37

Selectbord Office

Right.

19:37 - 19:39

Selectbord Office

So, you've got that one, okay.

19:41 - 19:46

Selectbord Office

All right, I will do the best to get that to you to catch it.

19:46 - 19:49

Selectbord Office

But basically the content won't change, it's just a format.

19:58 - 19:59

Selectbord Office

Checking out the website.

20:00 - 20:02

Selectbord Office

So, I'll have the owl there.

20:02 - 20:04

Selectbord Office

Hopefully it works better than it's working tonight.

20:04 - 20:15

Selectbord Office

And I'll get the PA system set up and Gretchen will have a projector and we'll just use it for the meeting itself and not for any sort of PowerPoint.

20:17 - 20:20

Selectbord Office

And I'm sending you Bart's email.

20:21 - 20:22

Selectbord Office

Thank you.

20:22 - 20:28

Selectbord Office

And so the owl being there means that everyone who speaks in the room needs to be mic'd?

20:29 - 20:32

Selectbord Office

They do anyway otherwise you really can't hear.

20:32 - 20:34

Selectbord Office

I mean there could be 10 people there so.

20:35 - 20:35

Selectbord Office

Yeah.

20:38 - 20:39

Selectbord Office

Use your judgment.

20:40 - 20:40

Selectbord Office

Okay.

20:40 - 20:40

Selectbord Office

Are you...

20:40 - 20:44

Selectbord Office

If anybody's sitting around this thing, then no, they don't, because they might anyway.

20:45 - 20:47

Selectbord Office

So if it's really that small a group, then sure.

20:48 - 20:48

Selectbord Office

Not a big deal.

20:50 - 20:52

Selectbord Office

It's just like we're all sitting around it now.

20:52 - 20:53

Selectbord Office

Are you expecting to be there?

20:53 - 20:54

Selectbord Office

Yes.

20:56 - 20:58

Selectbord Office

So we can figure that out.

21:02 - 21:02

Selectbord Office

Um...

21:02 - 21:04

Selectbord Office

There are three things going on that night.

21:04 - 21:04

Selectbord Office

I know.

21:04 - 21:15

Selectbord Office

So can you get in touch with Steve Strahm and tell him maybe he might want to move his meeting because he's going to set a meeting for six o'clock and they're going to be setting up at 515 and then in there for their problem.

21:15 - 21:17

Selectbord Office

So he's got no place to meet.

21:19 - 21:22

Selectbord Office

October 4th is your deal.

21:22 - 21:27

Selectbord Office

I think there's going to be an emergency management seminar on fire extinguishers.

21:32 - 21:39

Selectbord Office

The 11 o'clock is the, we're nine in the morning, we're going to be so done, the Health Center is four a year.

21:40 - 21:42

Selectbord Office

And Wednesdays is that day too.

21:42 - 21:42

Selectbord Office

During the day, yeah.

21:43 - 21:45

Selectbord Office

Well, it's all into the night, like 11.30 to 9.

21:46 - 21:48

Selectbord Office

And that's the day that we all get married.

21:51 - 21:54

Selectbord Office

Tell her to come here, we're thinking so excited.

21:55 - 22:00

Selectbord Office

I mean, I suspect after these two meetings, we're still going to want to try to schedule another one.

22:00 - 22:02

Selectbord Office

Before November 8th.

22:02 - 22:04

Selectbord Office

My hope is that we will learn something Thursday.

22:05 - 22:05

Selectbord Office

Yeah.

22:05 - 22:09

Selectbord Office

And we can adjust for the fourth, and then we can adjust.

22:11 - 22:11

Selectbord Office

Right.

22:11 - 22:11

Selectbord Office

And then we'll be able to...

22:11 - 22:14

Selectbord Office

Because it's a month, really, I think, right?

22:14 - 22:15

Selectbord Office

Right.

22:15 - 22:24

Selectbord Office

So after Thursday, you know, we may want to consider scheduling another meeting later in October It's into a primary unit idea.

22:31 - 22:32

Selectbord Office

Pretty much it.

22:34 - 22:35

Selectbord Office

Nice face.

22:36 - 22:37

Selectbord Office

Good thing the camera's on.

22:40 - 22:43

Selectbord Office

So, Amy, do you want to make a motion to...

22:44 - 22:45

Amy Wang

Sure.

22:46 - 22:47

Selectbord Office

...adopt about language?

22:48 - 22:49

Amy Wang

Yes.

22:49 - 22:51

Amy Wang

So I'm looking at it now.

22:51 - 22:54

Amy Wang

It's the questions 1A and 1B.

22:54 - 23:06

Amy Wang

So I move that we accept the language on the ballot as printed at this time in the Google Drive, I believe.

23:07 - 23:07

Selectbord Office

Yeah.

23:09 - 23:12

Selectbord Office

That's the real picture of the ballot.

23:13 - 23:13

Selectbord Office

Yes.

23:18 - 23:23

Selectbord Office

And it's also on the web page that I put up that's on there.

23:24 - 23:27

Amy Wang

So I move that we accept the wording on the ballot as written.

23:28 - 23:29

Selectbord Office

Okay, I second.

23:31 - 23:33

Selectbord Office

So any discussion on that?

23:33 - 23:39

Selectbord Office

I mean, it would be a crime to change the wording on this thing because it's all just the language.

23:39 - 23:40

Selectbord Office

Question.

23:41 - 23:52

Selectbord Office

So given that it's all suggested language coming out of that particular DLS

publication, theirs is big number first, little number second.

23:54 - 23:57

Selectbord Office

I don't know why didn't we do that?

23:57 - 23:59

Selectbord Office

Why did they do that?

23:59 - 24:00

Selectbord Office

Does it make a difference?

24:01 - 24:06

Selectbord Office

I think there's maybe something to bring out in Thursday's and the October 4th session.

24:07 - 24:10

Selectbord Office

Why we would do, why we would propose one over the other.

24:10 - 24:19

Selectbord Office

No, that story is just, in theirs, their little sample is, shall the town raise a million dollars?

24:19 - 24:21

Selectbord Office

Shall the town raise 500 ,000?

24:21 - 24:23

Selectbord Office

Shall the town raise 250 ,000?

24:23 - 24:25

Selectbord Office

1a, 1B, 1C.

24:25 - 24:27

Selectbord Office

Here we start with the little number and go to the big number.

24:28 - 24:30

Selectbord Office

This has already been filed with.

24:41 - 24:43

Selectbord Office

So I'm glad you're gonna accept it then.

24:46 - 24:49

Selectbord Office

I mean I'm sure the state doesn't care what order we do it in.

24:50 - 24:53

Selectbord Office

We've been very careful to follow all of their little Yeah.

24:58 - 25:11

Selectbord Office

Because she's the one who said was very particular about what that what it says, but she didn't notice that She I think she was thinking each ballot question, I don't know if it was in line, you know, they had to.

25:14 - 25:14

Selectbord Office

Yeah.

25:17 - 25:22

Selectbord Office

And I'm not sure what the psychology is whether Yeah, that might be the part that they needed.

25:24 - 25:27

Selectbord Office

And so was it printed exactly like this with a weird spacing and everything?

25:27 - 25:28

Selectbord Office

Yes.

25:28 - 25:28

Selectbord Office

Awesome.

25:31 - 25:31

Selectbord Office

Just like that.

25:33 - 25:35

Selectbord Office

She said she just sent it to me.

25:35 - 25:38

Selectbord Office

Well, the ballot itself is probably half a page.

25:38 - 25:40

Selectbord Office

No, it's this weird spacing.

25:40 - 25:42

Selectbord Office

Why is it green right there?

25:42 - 25:43

Selectbord Office

No purpose.

25:43 - 25:44

Selectbord Office

It makes them look different.

25:44 - 25:45

Selectbord Office

Oh, yeah.

25:45 - 25:46

Selectbord Office

They shouldn't, they're identical.

25:46 - 25:47

Selectbord Office

The phrasing is identical.

25:47 - 25:48

Selectbord Office

Good point.

25:58 - 26:05

Selectbord Office

I mean, the language is the language, it's fine, although it's confusing.

26:08 - 26:14

Selectbord Office

All right, so any other points before we roll questions, comments?

26:15 - 26:17

Selectbord Office

All right, all in favor?

26:17 - 26:18

Selectbord Office

Aye.

26:19 - 26:21

Selectbord Office

All right, so you've adopted the language.

26:24 - 26:29

Selectbord Office

Okay, anything else on this subject before we move on?

26:34 - 26:35

Mike Dondiego

Charlie?

26:36 - 26:37

Selectbord Office

Go ahead, Mike.

26:37 - 26:38

Mike Dondiego

Yeah, Mike Don Diego.

26:39 - 26:56

Mike Dondiego

I don't know if this is the right time or not, but I left a message with Peg the other that I need a special town warrant article we missed two of our electrical bills in May and.

26:56 - 27:00

Selectbord Office

June and.

27:00 - 27:11

Mike Dondiego

Yes I don't know if this is the right time but I want to make sure I have a conversation at some point to try and get a another article on the special town meeting to address that.

27:11 - 27:32

Selectbord Office

Right and this won't so this won't be that meeting I mean this is just a ballot vote for the override we will have a special time I already put your request in a special town meeting file yes so it'll probably be end of November maybe yeah but that was.

27:39 - 27:41

Selectbord Office

So it'll be later fall.

27:41 - 27:42

Mike Dondiego

Okay.

27:42 - 27:46

Mike Dondiego

I'd just like to make sure it stays on as some kind of agenda topic.

27:46 - 27:57

Mike Dondiego

I'm working the number, it's in the neighborhood of \$700 for the two months that we missed the invoicing and we didn't make the payment.

27:57 - 28:06

Mike Dondiego

And you know according to the accountant appropriately we need a town approval to go spend this year's budget for last year's bills.

28:09 - 28:15

Selectbord Office

You need like a what is it a seven-eighths vote or something ridiculous for an old bill, yeah Yeah.

28:16 - 28:16

Selectbord Office

Maybe.

28:16 - 28:17

Selectbord Office

Yeah.

28:18 - 28:18

Selectbord Office

Somebody said a lot.

28:20 - 28:21

Selectbord Office

It's unusual.

28:22 - 28:24

Selectbord Office

It, nobody ever discusses about it.

28:24 - 28:24

Selectbord Office

Yeah.

28:25 - 28:26

Selectbord Office

Okay.

28:26 - 28:27

Mike Dondiego

Thank you.

28:27 - 28:28

Selectbord Office

Yep.

28:29 - 28:29

Selectbord Office

All right.

28:29 - 28:33

Selectbord Office

So moving on to open space and recreation plan then.

28:35 - 28:36

Selectbord Office

This is this will be.

28:36 - 28:37

Selectbord Office

Six.

28:40 - 28:42

Selectbord Office

So we'll see you Thursday.

28:45 - 28:56

Selectbord Office

So the PVPC finally finished up their work the consultants and the plan is done and we just need to send a letter from the select board of support.

28:56 - 28:58

Selectbord Office

And the planning board I think is another one.

28:58 - 28:58

Selectbord Office

We already sent ours.

29:00 - 29:13

Selectbord Office

I printed out the goals and objectives and I'm just gonna make a letter around it because it made sense to me so I'll do it, and I'll let you know when it's done.

29:15 - 29:17

Selectbord Office

So Amy, do you want to make a motion to...

29:21 - 29:22

Selectbord Office

Wait.

29:22 - 29:22

Amy Wang

I'm sorry.

29:22 - 29:23

Amy Wang

There are too many people talking.

29:24 - 29:24

Amy Wang

Make a motion.

29:24 - 29:25

Selectbord Office

To...

29:25 - 29:27

Selectbord Office

Trying to get everybody to quiet down.

29:28 - 29:32

Selectbord Office

Make a motion to send a letter of support to the...

29:32 - 29:34

Selectbord Office

Who do we send it to anyway?

29:34 - 29:35

Selectbord Office

It goes to PVTC.

29:37 - 29:38

Amy Wang

Okay, yep, I got it.

29:38 - 29:45

Amy Wang

So I move that we send a letter of support to the PVPC for the open space recreation plan.

29:46 - 29:49

Selectbord Office

It's actually somebody at the state that approves it though.

29:49 - 29:50

Selectbord Office

The PVPC did it.

29:51 - 29:51

Selectbord Office

They're not the ones.

29:52 - 29:52

Selectbord Office

What did you say?

29:52 - 29:55

Selectbord Office

But I think they, to the PVPC, they're the ones.

29:56 - 29:57

Selectbord Office

Yeah, they're the ones, yeah, okay.

30:00 - 30:01

Selectbord Office

All right, and then when it's ready, I'll sign it.

30:02 - 30:02

Selectbord Office

Thank you.

30:02 - 30:03

Selectbord Office

Okay.

30:04 - 30:08

Selectbord Office

Next item, consideration of GoGov for permitting.

30:08 - 30:09

Selectbord Office

Wait, wait, wait.

30:09 - 30:10

Amy Wang

I made the motion.

30:10 - 30:11

Amy Wang

It wasn't seconded.

30:11 - 30:12

Amy Wang

Do we have to vote?

30:16 - 30:17

Selectbord Office

I.

30:17 - 30:17

Amy Wang

Know.

30:18 - 30:19

Amy Wang

I'm a pain.

30:19 - 30:20

Selectbord Office

Sorry.

30:20 - 30:20

Selectbord Office

I second.

30:21 - 30:23

Selectbord Office

Any other discussion?

30:23 - 30:24

Selectbord Office

I think we've done it.

30:24 - 30:24

Selectbord Office

Okay.

30:25 - 30:26

Selectbord Office

All in favor.

30:26 - 30:26

Selectbord Office

Aye.

30:27 - 30:27

Selectbord Office

Aye.

30:28 - 30:31

Selectbord Office

She's just trying to prove how clear headed she is now.

30:39 - 30:44

Selectbord Office

So consideration of GoG for online building permitting.

30:44 - 30:48

Selectbord Office

I finally was able to speak to somebody who uses their software.

30:50 - 30:51

Mike Dondiego

Still not.

30:51 - 30:54

Selectbord Office

Completely nailed it though.

30:54 - 30:56

Selectbord Office

They're using it for zoning and not for building permits.

30:57 - 31:01

Selectbord Office

So this is still ongoing and I haven't had a chance to talk to Bob for a while.

31:02 - 31:03

Selectbord Office

So I think we can table this.

31:03 - 31:04

Selectbord Office

There's no rush on it.

31:07 - 31:11

Selectbord Office

The webmaster position, let's move that to the next meeting.

31:11 - 31:14

Selectbord Office

I have a long letter from legal counsel.

31:14 - 31:14

Selectbord Office

Oh, yeah.

31:15 - 31:21

Selectbord Office

And I'm happy to share all the documentation.

31:22 - 31:30

Selectbord Office

But somebody has lodged an ethics complaint that I was getting a stipend for maintaining the website as a select board member.

31:31 - 31:41

Selectbord Office

So there's a couple of options for dealing with that and one potentially basically report to Peggy.

31:41 - 31:42

Selectbord Office

I'll be in heaven.

31:47 - 31:56

Selectbord Office

So she would be in charge of the website and I would report to her and that way I could actually get a stipend for doing that.

31:57 - 32:03

Selectbord Office

Other option would be for town meeting to approve it, in which case I just get paid this year.

32:07 - 32:10

Selectbord Office

So anyway, we'll talk about it in our next meeting.

32:15 - 32:18

Selectbord Office

So Devon, would you like to introduce this next item?

32:18 - 32:24

Selectbord Office

Yes, I'm here to to let everyone know that I plan on retiring December.

32:26 - 32:30

Selectbord Office

What a bummer for us.

32:32 - 32:34

Selectbord Office

25 years it's been great.

32:36 - 32:40

Selectbord Office

It's only one year that was hired by us.

32:40 - 32:41

Selectbord Office

It hasn't been one year.

32:41 - 32:42

Selectbord Office

It was to the day.

32:43 - 32:51

Selectbord Office

Yeah, well, we were hired, yeah, it was hired on the 18th of December, so I'll go to 18th.

32:52 - 32:58

Selectbord Office

Or whatever I can do to make the transition smooth, I'll be there.

32:59 - 33:06

Selectbord Office

So and when you and I talk, you actually can legally continue to work if you want to for basically half time.

33:07 - 33:08

Selectbord Office

So many, so many hours or something.

33:08 - 33:12

Selectbord Office

1200 hours a year, but nothing the first month.

33:13 - 33:13

Selectbord Office

Okay.

33:14 - 33:14

Selectbord Office

Yeah.

33:14 - 33:17

Selectbord Office

You got to take at least the first month off.

33:19 - 33:27

Selectbord Office

So can we pull out last year's job posting and advertise it as soon as possible?

33:28 - 33:29

Selectbord Office

Uh, yeah.

33:29 - 33:32

Selectbord Office

Um, Amy, you're okay with that?

33:33 - 33:35

Amy Wang

Well, with advertising, it's sure.

33:35 - 33:44

Amy Wang

I guess what I'm concerned about is the difficulty we had last year trying to get candidates.

33:45 - 33:53

Amy Wang

I mean, you were our first candidate, I guess, and for a while first and only.

33:55 - 33:57

Amy Wang

And I just think December is a bad time.

33:58 - 34:01

Amy Wang

It's the same problem we had last year.

34:01 - 34:06

Amy Wang

So we did interview another candidate who basically said in the end that he could not leave his position.

34:06 - 34:10

Amy Wang

He could not leave the town in the lurch for the wintertime.

34:10 - 34:15

Amy Wang

So I guess I just I would have been happier if it was put off to the spring.

34:20 - 34:22

Amy Wang

But, you know, we'll see what happens.

34:22 - 34:23

Amy Wang

I don't know what else to.

34:23 - 34:23

Amy Wang

Say.

34:24 - 34:25

Amy Wang

I understand it.

34:25 - 34:28

Selectbord Office

But it's not up to us, unfortunately.

34:29 - 34:30

Amy Wang

No, this is true.

34:31 - 34:40

Selectbord Office

And I had one applicant that put in for the highway job, that he was more interested in a superintendent job.

34:42 - 34:42

Selectbord Office

You did?

34:42 - 34:43

Selectbord Office

Yes.

34:44 - 34:44

Selectbord Office

Did he see him?

34:45 - 34:46

Selectbord Office

Last time, yeah.

34:46 - 34:47

Selectbord Office

Yeah, and he's still here.

34:47 - 34:48

Selectbord Office

So did he see him qualifying?

34:51 - 34:52

Selectbord Office

He's young.

34:52 - 34:57

Selectbord Office

No, no, this was one of the applicants that they did put in for the job when Travis was hired.

34:58 - 34:59

Selectbord Office

Oh, I was taking a blast.

34:59 - 35:00

Selectbord Office

All right.

35:00 - 35:03

Selectbord Office

So I think, you know, obviously the job market's changed in a year.

35:05 - 35:10

Selectbord Office

It's, you know, unemployment's going down, is it?

35:11 - 35:12

Selectbord Office

I forget, whatever.

35:13 - 35:14

Selectbord Office

Job market's definitely changed.

35:16 - 35:18

Selectbord Office

So, let's get it out there and see what we find.

35:20 - 35:21

Amy Wang

Yep, definitely.

35:22 - 35:23

Selectbord Office

It's a pretty current one, so.

35:24 - 35:25

Selectbord Office

Okay.

35:26 - 35:29

Selectbord Office

And I suspect we have at least one of our current workers that's interested.

35:29 - 35:31

Selectbord Office

It's in the job he was last time.

35:31 - 35:43

Selectbord Office

Yeah so we can consider that okay so that's a pretty big deal congratulations yeah but it sucks.

35:48 - 36:12

Selectbord Office

It's the insurance that hurts yeah yeah right you have to pay half right yeah So, while we're talking about highway, so I'm related to this specifically, but I got another letter from Mark Brooks today, he copied you and I'm actually happy to you.

36:12 - 36:13

Selectbord Office

I got it.

36:13 - 36:14

Selectbord Office

You did get it?

36:14 - 36:15

Selectbord Office

I got it, yeah.

36:15 - 36:15

Selectbord Office

Okay.

36:16 - 36:19

Selectbord Office

So, can we look at the drainage there across the street for him?

36:21 - 36:26

Selectbord Office

Yeah, the drainage only is a problem in wintertime.

36:26 - 36:26

Selectbord Office

Yeah.

36:27 - 36:32

Selectbord Office

And when the ground freezes, it's not going to have any effect on it.

36:34 - 36:41

Selectbord Office

And I don't know what, you know, what he wanted unplugged, was it the culvert that he plugged?

36:43 - 36:49

Selectbord Office

Well, I think he's talking about the fact that there's no real good drainage essentially cross.

36:50 - 36:51

Selectbord Office

What's his name Ken?

36:51 - 36:52

Selectbord Office

Well that's Ken's driveway.

36:53 - 36:54

Selectbord Office

We don't do driveways.

36:57 - 36:58

Selectbord Office

I realize that.

36:58 - 37:02

Selectbord Office

If there's something coming out of Ken's land that's Ken's problem.

37:03 - 37:11

Selectbord Office

But when the where the driveway crosses out onto the road and it's town right away and there's a there's a ditch that's essentially interrupted by the driveway.

37:11 - 37:12

Selectbord Office

Well we can't cut it.

37:12 - 37:13

Selectbord Office

We can't cut.

37:13 - 37:14

Selectbord Office

Why isn't there a culprit there?

37:19 - 37:20

[speaker unknown]

I don't know.

37:20 - 37:21

Selectbord Office

Can you pull up a little driveway permit?

37:22 - 37:23

Selectbord Office

Well yeah.

37:23 - 37:31

Selectbord Office

I don't know I don't know who we should, I mean, if there was no culvert in that driveway permit, then there's not going to be a culvert.

37:32 - 37:34

Selectbord Office

Can we ask him to consider doing it?

37:34 - 37:45

Selectbord Office

We can ask him, but even a culvert there is not going to help because you have a culvert just above it that crosses the road over onto the other guy's property.

37:45 - 37:47

Selectbord Office

And that's the one that's blocked?

37:48 - 37:48

Selectbord Office

Partially.

37:49 - 37:49

Selectbord Office

Okay.

37:51 - 37:52

Selectbord Office

So, unblocking that could help.

37:54 - 37:55

Selectbord Office

Until it freezes.

37:58 - 38:01

Selectbord Office

If that water's coming up, it's his ledge there and the water's coming up from under the road.

38:02 - 38:05

Selectbord Office

You're not, it's always going to be there.

38:06 - 38:09

Selectbord Office

We can dig out his driveway, but he's not going to be happy.

38:09 - 38:11

Selectbord Office

No, I'm not suggesting that.

38:11 - 38:13

Selectbord Office

You know, you get, yeah, I don't know.

38:14 - 38:19

Selectbord Office

It's just work that's not going to affect that problem.

38:19 - 38:21

Selectbord Office

Problems coming out of this pond, I believe.

38:23 - 38:24

Selectbord Office

On a rick's pond?

38:25 - 38:26

Selectbord Office

No.

38:26 - 38:26

Selectbord Office

Ken's pond.

38:26 - 38:26

Selectbord Office

Ken's.

38:27 - 38:28

Selectbord Office

There's a little pond up there.

38:29 - 38:34

Selectbord Office

And if that, in the wintertime, fills up, it comes out towards the road.

38:37 - 38:39

Selectbord Office

So all we can do is talk to Ken and see.

38:39 - 38:41

Selectbord Office

So let's at least try that.

38:41 - 38:42

Selectbord Office

See what happens.

38:44 - 38:48

Selectbord Office

At least make a, at least make a good faith effort here, trying to do something.

38:49 - 38:55

Selectbord Office

I mean, you know, the road is ditched from Ken, the water goes from Ken to driveway down to the next culvert.

38:56 - 38:56

Selectbord Office

Yeah.

38:58 - 39:02

Selectbord Office

It is there, but in the wintertime, it just, you know, everything freezes up.

39:04 - 39:04

Selectbord Office

Okay.

39:05 - 39:05

Selectbord Office

All right.

39:05 - 39:07

Selectbord Office

Well, let's talk to Ken and see what it is.

39:07 - 39:08

Selectbord Office

All right.

39:09 - 39:09

Selectbord Office

I have his number.

39:10 - 39:10

Selectbord Office

Okay.

39:10 - 39:15

Selectbord Office

You're including a bit, you know, diverting that pond to some other direction instead of right under the road.

39:15 - 39:16

Selectbord Office

Yeah.

39:16 - 39:17

Selectbord Office

I'll have to look at it when it's full.

39:17 - 39:17

Selectbord Office

Okay.

39:17 - 39:19

Selectbord Office

Because right now there's no water issues.

39:20 - 39:21

Selectbord Office

Yeah.

39:21 - 39:30

Selectbord Office

Well, I don't know if you got the announcement, but yeah, the water department's shut down all outside water, so.

39:32 - 39:36

Selectbord Office

Because they've got one dry well and one that's real well.

39:36 - 39:39

Selectbord Office

We said the summer wells are all pretty well shot.

39:41 - 39:42

[speaker unknown]

So.

39:44 - 39:47

Selectbord Office

Okay, thank you later to Steve.

39:48 - 39:49

Selectbord Office

I don't have a chance to look at it yet.

39:50 - 39:54

Selectbord Office

Amy, have you seen, did you write this or did Peggy write it?

39:54 - 39:55

Selectbord Office

I read it.

39:55 - 39:56

Selectbord Office

So have you seen it?

39:57 - 39:58

Amy Wang

I did.

39:58 - 40:00

Amy Wang

I looked at it and I thought it was very nice.

40:03 - 40:04

Amy Wang

I liked it.

40:05 - 40:06

Amy Wang

Let's see, where the heck is it.

40:06 - 40:07

Amy Wang

Here?

40:10 - 40:12

Selectbord Office

There's nothing else for us here.

40:14 - 40:17

Selectbord Office

Almost not anymore for us either, I'm happy to say.

40:17 - 40:18

Selectbord Office

So it looks fine to me.

40:18 - 40:22

Selectbord Office

Great yeah um yep.

40:22 - 40:31

Amy Wang

And I was Peggy I was one well I'm gonna I'm gonna try and be at the Saturday October 4th thing but if you want to.

40:31 - 40:31

Selectbord Office

Try.

40:31 - 40:33

Amy Wang

My name.

40:33 - 40:35

Selectbord Office

Sure.

40:38 - 40:48

Selectbord Office

Yes I will thank you study your year I'll try to be a really good forger I'll study your sure.

40:49 - 40:51

Selectbord Office

So is this letter in the folder for tonight?

40:52 - 40:52

Selectbord Office

Yes.

40:53 - 40:53

Selectbord Office

Okay.

40:53 - 40:56

Selectbord Office

So somebody wants to see it's in the folder for tonight.

40:56 - 40:57

Selectbord Office

Yep, it is.

40:59 - 41:00

Selectbord Office

We have minutes to review.

41:00 - 41:03

Selectbord Office

There's really not much point since I'm in on the room.

41:04 - 41:05

Selectbord Office

They have to wait for it.

41:05 - 41:06

Selectbord Office

They can wait.

41:07 - 41:07

Selectbord Office

Yeah.

41:07 - 41:09

Selectbord Office

So at least that's it.

41:11 - 41:15

Selectbord Office

Finance went to hand out, did that, override bail questions, did that, had we quarterly reports.

41:15 - 41:20

Selectbord Office

Oh, yeah, there's a little last thing in there.

41:41 - 41:42

Selectbord Office

When did we get these?

41:44 - 41:45

Selectbord Office

Just, I don't know, yesterday?

41:46 - 41:46

Selectbord Office

This morning.

41:47 - 41:47

Selectbord Office

This morning.

41:47 - 41:51

Selectbord Office

That's why I put them on as an info thing just because of that, but you can wait till next time.

41:51 - 41:55

Selectbord Office

Yeah, can we hold them till next time so I can ask intelligent questions?

41:55 - 41:57

Selectbord Office

It's the unusual dumb ones.

41:58 - 42:01

Selectbord Office

And then we can publish it.

42:01 - 42:03

Selectbord Office

Thank you for doing that.

42:04 - 42:05

Selectbord Office

That's super helpful.

42:06 - 42:07

Selectbord Office

Yes, I'd like to encourage that behavior.

42:07 - 42:09

Selectbord Office

That's why I put them on the agenda, isn't it?

42:09 - 42:10

Selectbord Office

Yeah, for sure.

42:12 - 42:14

Selectbord Office

Okay, that is everything on the agenda.

42:15 - 42:17

Selectbord Office

I apologize for the lack of a camera.

42:17 - 42:20

Selectbord Office

And I will try to get that solved for next time.

42:20 - 42:23

Selectbord Office

I appreciate the fact that there's more people here than usual.

42:23 - 42:36

Selectbord Office

I'm guessing it has to do with the override but if anybody has a comment or a question and we can't really deliberate on something not on the agenda but certainly if anybody wanted to speak to something feel free for we.

42:39 - 42:40

[speaker unknown]

Adjourn.

42:40 - 42:44

Selectbord Office

Okay well hopefully people can join us Thursday to talk about it.

42:45 - 42:50

Selectbord Office

We're anxious to hear what people think so thanks everyone.

42:50 - 42:52

Mike Dondiego

Charlie what time is it the evening?

42:53 - 42:55

Selectbord Office

It's 630 at the school.

42:55 - 42:57

Selectbord Office

630 at the school, okay.

42:58 - 42:58

Mike Dondiego

Thank.

42:58 - 42:58

Selectbord Office

You.

42:59 - 42:59

Selectbord Office

Since.

42:59 - 43:04

Amy Wang

We have the ability for remote participation, I might try and do that.

43:04 - 43:19

Amy Wang

I'm just at this stage, I'm reluctant to have to come home in the dark, so you know that's the only reason I really don't want to go to the school, but if there's a remote I will try and participate remotely.

43:20 - 43:24

Selectbord Office

So I will do my best to have a set up and hopefully it'll be working.

43:24 - 43:27

Selectbord Office

I guess the worst case will be deaf sound.

43:30 - 43:32

Selectbord Office

That works all right too, anyway.

43:32 - 43:34

Selectbord Office

I don't know what the problem is tonight.

43:34 - 43:38

Selectbord Office

It could be just I needed to reboot my computer and I didn't really wanna go through all that, so.

43:39 - 43:40

Selectbord Office

Okay.

43:42 - 43:43

Selectbord Office

All right, good night everyone.

43:44 - 43:45

Selectbord Office

All right, good night.

43:46 - 43:46

Selectbord Office

Farewell.
