

April Weekly Update

Week of Monday, March 30 - Friday, April 3rd, 2026

This Week at a Glance

- **April 6 - 10:** SLEEP WEEK
- **April 10:** Middle School students and the Principal visit R.H. Conwell to talk with the 6th graders about Hampshire Regional.
- **April 14:** WALK TO SCHOOL!
- **April 17:** Family Breakfast and All School Meeting led by 3/4 students
- **April 20 - 24:** SPRING BREAK

NEW HIRE!!

We are excited to announce that Kristina Canfield has been hired as our new Grade 3/4 classroom teacher!

Kristina has been a valued member of the R.H. Conwell community this past year, serving as a paraprofessional in our Grade 5/6 classroom. During that time, she demonstrated a strong commitment to supporting students, building positive relationships, and collaborating with faculty to create an engaging learning environment.

Her knowledge of our school community, dedication to student growth, and enthusiasm for learning make her a wonderful addition to the Grade 3/4 team. We are thrilled to see her step into this new role and know she will continue to make a positive impact on our students and families. Please join us in congratulating Kristina on her new position!

Summer Program

Summer Program

There are still spots open in our Conwell Explorers summer camp! We will be going on field trips each week and spending most of our time outdoors. If you are interested in enrolling your student

in camp let me know and I will send home a registration form for you. Camp will run from July 6th to July 30th, Monday through Thursday from 9:00 to 2:30. Camp is open to R.H. Conwell students in grades K to 5 (This school year's grades) and next year's incoming kindergartners.

Attendance Corner

Coming to school regularly helps students feel connected and confident.

- Kindergarten and 1/2 tied for best attendance for the month of March. Both classes were here 96.9% of the time.
 - **Reminder:** Every day matters! If your student will be out, please let us know.
-

What We're Learning in Kindergarten

ELA: Learning about digraphs and writing sentences.

Math: We are learning about 3D shapes!

Science: We are learning how things move!

Social Studies: We are learning about being kind.

Other / Specials: And, we painted eggs!
